#RotaractLegacy

Rotaract
District 9213

Thank you for choosing to serve and for being part of a year that holds so much possibility.

My ask is that you remain intentional about service, learn from others, collaborate beyond your club, grow in purpose and always remember the communities we serve.

Let us not measure this year only by what we accomplish, but by the people we inspire, the lives we touch, the connections we make and the systems we strengthen.

Together, let us create impact beyond moments and Showcase the Rotaract Legacy

With appreciation,
Alex Muwanguzi
